

**Proposed eReserve2 Battery Storage Project
Virtual Community Open House (Online or Telephone)
Wednesday, May 13th, 2020 – 6:00 PM to 8:00 PM**

TERIC Power Ltd. is proposing to construct the eReserve2 Battery Storage Project approximately twenty kilometers north of the Village of Irma. The facility will consist of a 20-Megawatt (MW) capacity lithium-ion battery storage system, located at the SE-11-48-09-W4M surface location.

The proponents are seeking input on the proposed project from interested stakeholders. Given the current COVID-19 situation, we are following the Alberta Utilities Commission's guidelines on social distancing to ensure proper consultation. We invite you to join our Virtual Community Open House session.
