

**Proposed eReserve3 Battery Storage Project  
Virtual Community Open House (Online or Telephone)  
Thursday, December 3<sup>rd</sup>, 2020 – 6:00 PM to 8:00 PM (MST)**

TERIC Power Ltd. is proposing to construct the eReserve3 Battery Storage Project approximately ten kilometers northeast of the Hamlet of Clairmont. The facility will consist of a 20-Megawatt (MW) capacity lithium-ion battery storage system, located at the SE-02-73-05-W6M surface location.

The proponents are seeking input on the proposed project from interested stakeholders. Given the current COVID-19 situation, we are following the Alberta Utilities Commission's guidelines on social distancing to ensure proper consultation. We invite you to join our Virtual Community Open House session.
